

Jebil's Finance Limited's SMS Banking is the service provided to its customers for accessing various account related services via SMS from their Mobile.

To get this service, customer has to register in our SMS system. Once the Customer is registered, customer will get a registration SMS with PIN number (Password for SMS Banking). Send SMS to 9808080088 with the PIN as instructed below to get desired services.

General messaging Format : XX PIN <OTHER_FIELDS>

Here

XX	Represents 2 lettered Service code
<PIN>	5 digit pin of the registered mobile phone
OTHER_FIELDS	Other required or optional fields based on particular service type. Fields enclosed like <FIELD> are mandatory fields while Fields enclosed like [FIELDS] are optional fields

While forming message user need not to worry about separating different fields with spaces. Furthermore user can use both Upper case and lower case or mixed cases. For ease of understanding here we assume that the pin of the registered mobile device is 12345 and AC KEY of one of the subscribed saving account be SAV. Currently, we have following services available and will avail additional useful services in future. Send SMS as indicated below as to get desired service.

- 1. BL** *Balance Enquiry : Enquire the balance and drawable amount of an account*
